Carolina in the Morning

Nothing could be finer than to be in Carolina in the morning,
No one could be sweeter than my sweetie when
I meet her In the morning,
Where the morning glories wind around the door,
Whispering pretty stories I long to hear once more.
Strolling with my girly where the dew is pearly early in the morning.
Butterflies all flutter up and kiss each little buttercup at dawning.
If I had Aladdin's lamp for only a day I'd make a wish and
here's what I'd say: Nothing could be finer than to be in
Carolina In the morning!
