**Rotarians Stacey McEntyre and Shemecka McNeil** got to know each other a little better as they worked together on the Club's Veterans Fundraising Project. Stacey's Adopted Son, Reality Weaver, is keenly interested in doing more work to support the Durham Community. Stacey immediately thought about Shemecka (*Founder and Executive Director of Slice 325*). For more information about Slice325, go to: [www.slice325.org](http://www.slice325.org).

**STACIE & SHEMECKA**

Through the connection Stacey made with Shemecka, connecting Reality with Shemecka, Reality enjoyed an opportunity to "give back" to the Community!

**Durham Rotary Club Weekly Monday Meeting**

**Durham Bulls Triangle PNC Club 3rd Floor -- Durham**

**Guest Speaker: Anthony Scott - Chief Executive Officer**

**Durham Housing Authority**

**Presentation Topic: Durham Housing**

**Anthony Scott**, Chief Executive Officer of the Durham Housing Authority (DHA) since 2016. With more than 30 years in the community development field that includes the areas of community organizing, economic development, strategic planning, and affordable housing, his career has been solely focused on building better communities for all. His career experience includes a decade-long tenure heading a community-based organization in South Central Los Angeles and several years at the State of Virginia before entering the public housing arena, where he served in leadership positions in three states. DHA has approximately 2,000 public and affordable housing units and administers up to 2,800 Housing Choice Vouchers. Currently DHA is pursuing an aggressive redevelopment of its public housing portfolio to create mixed income and where possible, mixed use communities. The Downtown properties, consisting of nearly 450 units on over 50 acres of land, is the first phase of this repositioning of its properties that will result in the preservation of the existing units and an expansion of additional units to a combined total of over 2,500 units in the downtown area. Prior to his tenure at DHA, he previously held the position of Deputy Executive Director at the Housing Authority of Baltimore which is the largest Public Housing Authority in Maryland. In this role, he served over 25,000 Baltimore households with an operating budget of \$250 million and 750 employees. Prior to that, Mr. Scott was the Chief Executive Officer of Virginia's largest Public Housing Authority with an annual budget of over \$91 million, 350 employees and 7,500 households. He earned a Bachelor's degree in Architecture from Howard University and a Master's of Urban Planning from the University of California at Los Angeles.
