According to the Wall Street Journal, New Year resolutions for 2023 are focusing on increasing personal interaction and personal contact with our communities, including involvement in community organizations such as our Rotary club.

It has been recommended that business leaders join service clubs like Rotary for the following five reasons:

- Greater Opportunity to Serve Others
- Service Clubs Bring Leaders Together
- Opportunity to Establish Strong Roots in the Community
- Opportunity to Learn From Others
- Members Help Each Other Out Personally and Professionally

So, make involvement in our club one of your 2023
