Western NC Relief Efforts - Opportunity Today

Raleigh Rotarian Charles King, a resident of the high country, and a friend, Julian, have arranged to have a trailer to take supplies west where they will be distributed by a Church that has a process for doing this kind of thing. Last week, President Eric, Charles King, Nathan Thomas, and Charles's friend, Julian loaded a trailer with waters from our Rotary storage unit. There is plenty of room left in the trailer, and we will be collecting supplies at today's meeting. Today, Julian will be at our Rotary meeting with the trailer and we are asking folks to bring items to the meeting for us to send west. He will be heading out tomorrow (10/08).

- 2) Our Club's Service Chair, Richard Averitte is also working with people to transport and deliver supplies to some of the most remote areas of western NC.

Keep an eye out for more ways you can help. The photo below shows the trailer loaded with water bottles. There's still plenty of room for more items!

Remember to Pay Your Dues

Now that Back to School is in the rearview mirror, here's a friendly reminder that quarterly club dues are overdue. If you've paid, great and thank you for supporting our club and our community.

If you haven't paid, we're sure it is an oversight and you've probably gotten a phone call, email, or letter and forgotten to put pen to check or process your online payment. We need your payment to provide critical support to our community.

If you'd like to pay more frequently than quarterly, please reach out to Linda to schedule monthly payments at RaleighRotary@gmail.com
