New Generations: Now Accepting RYLA Applications

We are seeking applications to the RYLA leadership academy for the spring of 2025.

Applicants must be current high school juniors who show leadership qualities.

You must submit hard copies of the applications with original signatures—no copies. Both the student and a parent/guardian must sign.

Students do NOT have to have health insurance to attend. We ask for that information in case of health emergencies on the weekend of RYLA, but it is not required.

Students are not limited to being Interact Club members.

Applications are due to NG Chair Shakema McClean by November 24, 2024. Email Shakema at mshake077@gmail.com.

Next Week's Speaker - Nathan Thomas

Our speaker on Monday 11/18/2024 will be Raleigh Rotarian and Past 7710 District Governor, Nathan Thomas. Nathan will give us the latest updates on the Uganda Solar project for which our club is working on a Rotary Global Grant.

RCOR 7-Day Forecast

Today will be the warmest all week as showers slowly drift east of our area this morning. The cold front that brought us overnight/morning showers will move offshore tonight, ushering cold fall-like air behind it. High temperatures for the rest of the week will range from the mid 50's to the upper 60's. The coolest day looks to be Wednesday, when daytime temps will struggle to reach 60F. Wednesday morning also looks to be the coldest, with some locations waking up to temperatures near freezing. Other than Monday, skies will be partly cloudy to mostly sunny.
