The DOG Days of Summer are in Full Swing!

How are your tomatoes growing? Hoping that you will have a bountiful richness of tomato sandwiches.....do you like cucumbers added as well with ranch dressing?

This Week's Meeting:

See you on **Friday, July 15th**.

Dr. Stephen Terry, PE will be our guest presenter with a focus on the NCSU Solar House.

Dr. Terry currently works for the Carolina Utilities Commission, Inc. He previously spent more than 26 years as a Research Associate Professor in the NCSU Department of Mechanical and Aerospace Engineering. He served as Director of the Industrial Assessment Center, a U.S. DOE funded program from 2006-2021, working with small and medium-sized manufacturing plants. Since 1992, Dr. Terry has worked with over 500 manufacturers to reduce energy costs and increasing their energy efficiency. He also leads research efforts with a grant from Idaho National Labs to study Integrated Energy Systems and energy storage technologies.

Invocation, Pledge, and Introductions: Kevin Martin

Welcome Alex MacKethan to the Rotary Presidency!

The future is bright and shiny for RCWR. Thank you, Susan, for leading us through 2021-2022. Enjoy the shores of Scotland next week.

This is the time of the year that we plan and execute seamlessly in the coming days, weeks, months! If you are a member of a committee or the leader of a committee, please take the time to reflect on the previous year and what you would like to accomplish this year. Need help? Reach out to previous chairs, presidents, long-time Rotarians – even extend to other clubs in our district.

If you are not currently a member of a committee and would like to share your talents, please reach out to the committee chair. Please email me barbdlay50@outlook.com if I can help you to navigate to the committee that peaks your interest.

The next **BOD** meeting is 'a coming.' - **July 22, 11:00 University Club.**

Brewery Night was a Success

Send your photos to Neil, Charles, and Laurie for us to share on social media how great our club is. Looking forward to the photos from Gizmo Brew Works this past Monday, July 11.

Don't miss the meeting! If unable to attend in person, here is the ZOOM link. If you misplace this email, it is included in the RCWR Calendar. Thanks to Neil for managing this for our club.
