PRESIDENT'S MESSAGE

By Jessica Day and Jen McGee

Today, people have many options for where they can serve in their community. We both chose the Rotary Club of Knightdale because we have the backing of an international organization, while at the same time having the privilege of autonomy.

Our club gets to choose for itself how it wants to serve our neighbors and our organization supports us through grants, in-person assistance, virtual guidance, and with fellowship. The training we have received as Rotarians is adaptable to all parts of life. Our ideas are valued, and we truly get to make an impact on our local community, Knightdale. We welcome you to join our amazing group of compassionate Rotarians!

For more information, visit us on FACEBOOK @KnightdaleRotary or our website at knightdalerotary.org

Yours in service,

Jessica and Jen
