This Week at Rotary Linda Cashin The Honor Foundation

Join us tomorrow to learn about the Honor Foundation from Linda Cashin. The Honor Foundation (THF) is a career transition program for U.S. Special Operations Forces that effectively translates their elite military service to the private sector and helps create the next generation of corporate and community leaders. They provide a clear process for professional development and a diverse ecosystem of world class support and technology. Every step is dedicated to preparing these outstanding men and women to continue to realize their maximum potential during and after their service career.

Last Week at Rotary GLOW Academy

Jen Wilson-Mathis joined us last week to update us on the wonderful work of GLOW Academy. The Girls Leadership Academy of Wilmington is an all-girls public charter school that opened in 2016. They now have a complete middle school and high school. Every girl who graduated in 2024 was accepted into a college or university.
