As Dan gets closer to the age of Medicare eligibility, he's seen many workmates, friends, and family members struggle with the complexity of Medicare enrollment. Therefore, he recently made a slight career change and obtained his life, health and Medicare insurance agent licenses. This new career endeavor allows him to continue assisting individuals with their health and welfare benefit plan needs, specifically Medicare.

Born and raised in Akron, OH, he and his wife embarked on their "liberation" last September and now call Kure Beach our home. Dan is blessed to have a loving and supportive wife who serves as his biggest cheerleader. They share a desire to "Live a Great Story" and travel the world. Dan and his wife are especially proud of their four adult children and spoiling three grandchildren, with two more on the way! An occasional round of golf keeps Dan humble.

Dan's success is measured by the number of people who have come to know him as a trusted resource and it's his life mission.

## Club Allocations Form

Here's some good news. Cape Fear Rotary has funds that can be used to support projects outside our club that our members are interested in. If you've got a project that you're passionate about, your fellow club members might be too. You can find a downloadable form for your grant request from the Wilmington Cape Fear Rotary Club below. Please know that requests will take 60-90 days for the allocation committee to review your request. If the committee approves the request, it will go before the club Board of Directors for final approval to release the funds.

Please submit your requests to contact the person listed on the form.

Thanks for your interest in the Wilmington Cape Fear Rotary Club.

Kitty moved to Wilmington about 30 years ago from NYC with her husband and two young children. Kitty has worked in the nonprofit arena in Wilmington including development positions at Domestic Violence Shelter and Services, Cape Fear Habitat for Humanity and now manages the nonprofit arm of Cape Fear Museum Associates, Inc. She has served on several boards including Association of Fundraising Professionals, WHQR Public Radio, and as mentor in the Leadership Wilmington program. She is proud of her daughter, Kelly, DPT at Mission Hospital in Ashville and her son Charles, a risk assessment computer programmer at SAS in Raleigh. Always getting energy from being around her friends and family, she aims to be a rainbow on a cloudy day while planning the next party.

Funnies

Here's hoping many of you will be able to attend tomorrow morning's meeting...including you Ed L. and Doug B.
