This Week at Rotary, Coastal Race Productions

Thursday, September 29, 2022

Keesha Starr is the Volunteer Coordinator for Coastal Race Productions. They are a 10 year old road running race company with 9 annual races between Wilmington, NC and Myrtle Beach, SC. On average each race draws about 2,000 runners with an annual attendance of over 20,000 people. Locally owned and operated, they focus on giving back to the community in every way possible. Currently they not only host the races but also First Strides of Brunswick County, the Coastal Race NonProfit, CRP Running Club and the Comeback Kids. In utilizing their events to support local organizations, they are able to donate around \$25,000 annually to their nonprofit partners. Keesha has been building teams in various organizations for over 25 years, and is excited for the opportunity to serve the Coastal Race Volunteers Crew. Keesha acknowledges "Behind every great race is a team of AMAZING Volunteers and we have the best Volunteers around!"

Last Week at Rotary, DACdb

Thursday, October 20, 2022

Connie Knox gave a great lesson on DACdb last week. DACdb is the website and app for your phone that a lot of us are using to access all kinds of data on Rotary. It's a great way to keep up with what's going on at your club, THE GREATEST ROTARY CLUB IN THE UNIVERSE. You can check out the calendar, the status of projects, like the golf tournament and look up member information. Let's see, you're talking to a member on the phone and you can't remember their spouse's name, you can look it up in just a few seconds.

We Have A Winner

Thursday, October 20, 2022

Ned Marabel had his number called. He walked up to the head table that had 34 cards and drew the Queen of Hearts. WOW, way to go Ned. Plus, thanks to you buying raffle tickets each week, Meals on Wheels got a donation. Big thanks to Rob Whitehead for working on this project every week.

How Old Are You?

Thursday, October 20, 2022

I'M SO OLD THAT

**I HAVE DIALED A ROTARY PHONE (THAT
DIDN'T HAVE AN ANSWERING MACHINE),
RECORDED A SONG THAT I LOVE OFF A
TRANSISTOR RADIO ONTO A TAPE RECORDER,
WATCHED A BLACK AND WHITE TV (WITH LESS
THAN 10 CHANNELS) THAT HAD FOIL ON THE
RABBIT EAR ANTENNAS, TAKEN A LONG WALK
WITHOUT COUNTING THE STEPS, AND EATEN
FOOD THAT I DIDN'T TAKE PICTURES OF.**
