This Week at Rotary, Off Site Visit, Kids Making It

Thursday, January 12, 2023

ATTENTION We're Not Meeting at Jungle Rapids This Week!

We're meeting at 617 Castle Street. We'll be serving breakfast as usual. See you there.

Kids Making It is a local 501(c)3 nonprofit youth woodworking program that teaches valuable vocational, entrepreneurial, and life skills to at-risk, low income, and disadvantaged youth. Their goal for every student they serve is for them to stay in school, stay out of trouble, and transition successfully into either the workplace or college. They have five main programs which consist of outreach, after school, apprenticeship, summer jobs, and skilled trades serving youth and young adults from ages 7 to mid 20's.

Jerry Dominguez will be our host. He is the new Operations and Skilled Trades Manager at Kids Making it.
