## This Week at Rotary, Business Meeting

Your Rotary leadership recently discussed moving the Board of Directors meeting from a separate Tuesday morning meeting to holding it bi-monthly during the regular Friday morning meeting. Tomorrow's meeting will be a business meeting where all members can discuss dues, new member recruitment, club finances and future projects. Make plans to attend tomorrow to learn more about the inner workings of your Rotary and make your suggestions about its future. We'll be having breakfast from Panera at 7:30am. See you there!

## Last Week at Rotary, Roger Shaw

Roger Shaw from UNC-W gave a very interesting presentation last week about sea level rise. He discussed how our eastern coastline has changed throughout history, the effects of climate change on the arctic circle and changes to the Cape Fear River after port widening and dredging. There were lots of questions and discussion. One member even suggested we bring him back in a few weeks. You won't want to miss it.

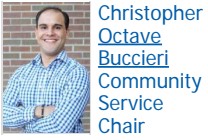

## Cape Fear Rotary Day at Jungle Rapids Sept 9th It's time to RSVP!

Fellow Rotarian Bob Rippy has invited all members and their families to Jungle Rapids for fun and fellowship on Saturday September 9th. Everyone will receive a free wristband for entrance and Bob will even be providing lunch. Please tell Bob you appreciate his generosity. The water park opens at 10am and most of us will arrive between 10am and 12noon. The water park closes at 6pm. You cannot bring any food or beverage into the water park. You can RSVP your plans to Andy at 910-398-5456. Big thanks to Andy for lining this up for us. (Please don't go overboard on how many guests you bring!)

## Meals on Wheels Raffle

Colleen looks disappointed. Her raffle ticket number was called but she wasn't able to pull the Queen of Hearts. The pot is over \$1600 now. Your chances of pulling the Queen go up every week. Thanks to Rob for doing a great job with this project.
