50/50 Raffle

Two weeks ago we got down to the VERY LAST card which meant the winning ticket automatically won the huge pot. BIG CONGRATULATIONS to Stan Paradis and Colleen Hattingh. The pot got to \$3,910 of which Stan and Colleen each get \$977.50. Meals on Wheels will be presented a check for \$1,955 in the near future.

We all thought it just does not get any better than this. Hold on to your hat. The Pot Rules just got better. The board voted unanimously this week to add more fun and twists to the pot.

In the deck are 54 cards which include two jokers. If you should draw the joker, you get half of that day's pot. You draw the Queen of Hearts, you split the entire pot provided you are a member of the club. Guests get half of that day's pot. When a card is drawn, that card is torn up and not returned to the pile. NOW, when the first joker is drawn, it will be removed. But when the second joker is drawn, it is NOT dead. The second joker goes back into the pot. One joker will always remain in the deck. Should we, once again, get down to the very last card - guess what? You also have a joker to contend with. You draw the Joker - the pot rolls over for another week.

I cannot express enough THANKS to everyone that participated week after week - hoping and praying their number was called. This is huge for Stan and Colleen, BUT it is even BIGGER for Meals on Wheels. This is the entire reason we do this. Just one more way this is THE GREATEST CLUB IN THE UNIVERSE!

Bring your dollars this week and let's get this pot back up to a large amount. Remember - the more tickets you buy, the more money we can give to Meals on Wheels.
