## Last Week at Rotary, Aswani Voley

Chancellor Aswani Voley from UNC-W was our speaker last week and we had one of our largest crowds recently. We had 27 members attending last week. Chancellor Voley gave us detailed information about the current status of the University and the strategic plan for the future. UNC-W currently has 18,500 students and 1000s of faculty and staff. The University is bringing lots of young people to our community who are spending lots of money in our economy. The University is also putting out 1000s of graduates who are looking to work and live here. Thanks Brent, for getting us such a top notch speaker.

## Meals on Wheels

Sorry Connie, we we're looking for the Queen of Hearts.
