This Week at Rotary, Jessica Baldwin, Sr. Historic Preservation Planner

Wilmington is nationally known for its historic district bordered by the river downtown. In fact, it's one of the largest districts listed on the National Register of Historic Places. In an effort to restore, plan and maintain our historic district, the city has a Historic Planning Commission and Jessica is their Sr. Planner. Coastal cities like Savannah, Charleston and Wilmington derive a large part of their economies from the tourists that enjoy visiting these historical areas. Jessica will join us tomorrow to give us insight into this aspect of our city. Join us at Jungle Rapids at 7:30am.
