## President's Weekly Post

By Timothy Daniels on Tuesday, August 9, 2022

As we kick off the month of August, which the Rotary International Theme is Membership, allow me an opportunity to engage in some fruitful thoughts. Too often, we hear the phrase "members are the lifeline of an organization." But, that is an affirmative, because it's true. Finding ways to identify, recruit and retain members is essential to the impact, growth, and ultimately, will play a role in the future success of the South Brunswick Island Rotary Club. This month we will be kicking off our initiative to increase our membership through quality members within our community. Regardless, if we are in a business, friendship or marketing, our brand in general will be publicized in a good or negative manner through the word-of-mouth. This concept has been true for many, many years and its' still hold true today that the most effective recruiting and marketing sale is through the word-of-mouth. So, as we move forward our expectation is for each member to bring "non-member" friends to our social or a Friday Meeting. Don't only bring a friend but share your positives on your social media outlets and let your friends know that SBI is looking for a few good men and women to be part of our team and provide quality services to our

community.

The South Brunswick Island Rotary Leadership Team realizes that it takes hard work to run a successful membership drive and retain new members, but I know that we are up to the challenge. However, know that we as leaders understand that we are not able to do this drive alone, so if you as "members" have important information to share, know that we are all ears to listen. You "members" are the lifeline of this organization, and you make the difference between us succeeding or not. So, as we begin to embark on the growth and the future of longevity of the club, I would like to leave you with this slogan: T.N.T~ Today, Not Tomorrow. Thanks for all you do and will continue to do for the betterment of this club and community.

## Membership Reminder - Bring a Guest to the Meeting

By Ed O'Neill on Tuesday, August 9, 2022

The Membership Committee reminds everyone to step up to the challenge of bringing a guest to the meeting this week. This challenge is a strategy for membership recruitment as outlined last week. Becoming a Rotary member connects you with a diverse group of professionals who share your drive to give back. You will:

- Discuss your community's needs and develop creative ways to meet them
- Connect with other leaders who are changing the world
- Expand your leadership and professional skills

## Harvesting the Miracle Acre

By Michael Hebert on Saturday, August 6, 2022

South

Brunswick Islands Rotarians Barbara Dresser, Ken Dresser, and Mike Hebert participated in a harvest at the Lord's Miracle Acre on July 27th. The large group of harvesters picked over 300 pounds of green beans, tomatoes and eggplants. Mike has a new appreciation for the workers who do it as a job. Mike will be scheduling Rotary Days at the Lord's Miracle Acre so keep your eyes open for this fellowship and service opportunity.
