President's Message

By David Vanasse on Tuesday, February 6, 2024

We were thankful last week to have had Carrie Dunlap of Lower Cape Fear Lifecare with us to dispel some of the misconceptions regarding hospice care and to share with us the many resources as well as learning and volunteer opportunities that avail themselves to us through her organization.

Following our meeting, several of our members attended the county's first Mental Health Summit, organized by Leland Area Rotary Club President, Frank Williams. This was a great first meeting about an important topic. We look forward to this becoming an annual event. There are certainly some additional training opportunities as a follow-on to this event. Through Coastal Horizons, mental health first aid training for groups and community partners is regularly scheduled for the first Tuesday and Fourth Thursday of every month.

This week you'll not want to miss our meeting because our RYLA delegates (Jayfren, Joseph, and MacKenzie) will return to share their experience with us.

Rotarian At Work Tshirts

By Kathleen MacDonald

Just another reason to come to the Friday meetings...

The club has a supply of Rotarian At Work T-shirts. We have been giving them to new members as we remember to do so. Since many of our memories are fading (I know that my brain has lots of senior moments and brain farts), the Administrative Committee has decided to distribute the shirts to the membership during the next several club meetings.

Rotary Direct - Enroll today

One way you can help Rotary continue to do good in the world is to [enroll in Rotary Direct](#), our Foundation's recurring giving program.

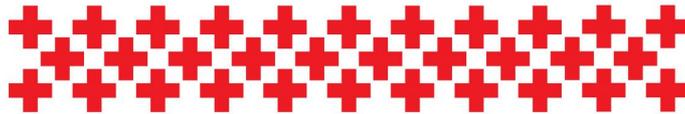

Last year, our Foundation raised over US \$427 million and funded more than 1,100 global grants, 470 district grants, and 310 disaster response grants to help communities thrive.
