## Brunswick Interagency Program (BIP) Luncheon

On April 25, 2024, the five Rotary Clubs that form the Area Club 4 will be jointly hosting a BBQ and game day for the students and staff of the Brunswick Interagency Program. (BIP) at Brunswick Community College.

This very important program serves adults diagnosed with intellectual disabilities. Their mission is to enable students to reach their full personal potential, continually build on their independence, and assist them in learning how to fully participate and live in their communities.

We need your help to make this event a success. The jobs responsibilities are listed below. If the job is already assigned, just come for lunch and join in. You will find the registration link on DACdb under district events. If you have questions or any issues signing up feel free to contact me or Mike Hebert.

All FIVE of our clubs are coming together for the first time to provide a day of food, fun, and fellowship for these incredible students and staff. The fellowship also extends to each of us as Rotarians, working together to meet our mutual community objectives. We hope this will be the beginning of many more shared events and look forward to meeting you at the party at BCC!

Serving begins at 11:30am  
Games begin right after lunch  
Break down and clean up at 2:00pm  
We still need a portable basketball hoop if anyone has access
