President's Weekly Post

By Timothy Daniels

This month's Rotary Theme for June is Rotary Fellowship. As we journey through our everyday life, Rotary affords us opportunities for making lasting friendships not only within the club but outside as well. Fellowship is a very vital component of our organization; this provides an understanding for advancing peace. Also, in today's climate, especially recruiting and retaining our existing members "fellowships" give the incentive to tackle these challenges. According to Rotary, Rotary Fellowships can take on a whole different meaning. Rotary Fellowships are groups of Rotary members who share a common interest in recreational activities, sports, hobbies, or professions. Most importantly members can enhance their Rotary experience by exploring new opportunities and making connections around the world. Whether in fellowship in Rotary or life in general, the key is making connections for the betterment of the organization and oneself gratification. On behalf of the Rotary Leadership, I would like to say "Thank You" for all you do to make club successful.

This week's quote is written by Larry Norman:
"We need worship for our spirit, fellowship for our soul and committed subservience for our body".
