President's Message

By Mary Ellen Good on Wednesday, October 30, 2024

October Area of Focus: Economic and Community Development

The weather forecast for Saturday is great – perhaps a bit on the warm side in the afternoon, months and months of planning have come together, and the final “hard work push” is about to begin. This Saturday, South Brunswick Islands Rotarians will welcome around 300 cyclists to Ocean Isle Beach Park for this year’s Three Bridge Bike Tour. For the first time, kids will participate in their own “short” ride in the park. What a great opportunity to meet young families in our community and introduce them to “the Magic of Rotary”!

Most of us will be involved in some way on Saturday. I invite you to pause for a moment and take in a bit of the “magic” that happens when we all work together for a common goal. While the bike event is a fundraiser to support all that we do, this event is so much more than the bottom line (although it is important). We have the opportunity to “connect” and share the “magic”....and that makes this day so special.

See you on Saturday! And thank you, each of you, for all that you do to support the bike event!

Yours In Service,
Mary Ellen

CCO Founder Carrie Higgins, pictured below, enticed participation by awarding raffle tickets for each activity completed. Activities included a scavenger hunt, cake walk, crafts, and mummy wrap! For the few hours we were there, cell phones were not visible. The teens had planned activities but also took advantage of the playground equipment and wooded area. It brought back memories of a time when we hung out on swings in the playground and just talked with our friends, without a phone.

Unfortunately, we are not able to include pictures of the teens so you will have to take our word that the costumes were excellent!

Look for other volunteer opportunities with the organizations we support.
