IMAGINE ROTARY

President's Weekly Post

By Timothy Daniels

On behalf of the South Brunswick Island Rotary Leadership Team, I would like to personally thank you for volunteering your time at our Three Bridge Bike Ride on November 05, 2022. This event could not have been a success without your help and the help of many others who volunteered their time. To All the community and club volunteers again "Thank You" for all you do. Your willingness to give freely of your time, money, and talent is greatly appreciated, and your efforts are making a difference in the community.

Furthermore, it is not just about the dollar, but it about the change that your commitment makes toward the youth of our county. As we continue to strive to make the ultimate impact with the youth in our community, always know that if we teach and reach one the world and our community, will be better served and will prosper tenfold.

Therefore, this club and the only club because of the dedicated members in the club and the community members that show up to event as this to ensure success.

I know that I can not say "Thank You" enough, but I will say it one last time in this article "Thank You" from the bottom of SBI Leadership Team heart.

The quote for this week is written by Kurek Ashley: "The quality of your life will be determined by the quality of your contribution. When you work to improve the lives of others, your life improves automatically."
