

Wheels in Motion - Vol. XI, Issue 35 - April 12, 2015

A Message from President Randy

By Randell W. Thompson on Wednesday, April 10, 2019

Dear South Brunswick Island Rotarians!

Another great meeting this past week! Attendance was great and everyone enjoyed our student-based program. Happy Dollars didn't disappoint us either as everyone had great thoughts to share, including great comments about the Clubs Hurricane Florence Relief for the kids shopping trip at Walmart. Distribution of the items purchased for the kids will occur this week. Again, we want to thank all those who donated and participated in the awarding process.

We next spent a few minutes discussing our upcoming Club Golf Tournament. We went through the sponsor and contributors list from past years to ensure we identified a member to touch base with them concerning support for this year's event. It's going to take everyone's involvement to make our event this year a success.

Next up was our program for the day. Amber and her CIS Students from Waccamaw School always do a great job. We look forward to each time they join us. This time Jadora Brown and Iesha Davis joined Amber to share with us about their experiences while engaging in the CIS program. They did a great job! Jadora and Iesha's moms were in attendance and you could tell how proud they were of their kid's abilities to share with a group our size. We know that these two young ladies will be very successful in their future endeavors. We can also tell that supporting Amber and her programs at Waccamaw School is making a huge impact in our community.

Just a reminder of a few upcoming events, On May 9 we're looking at hosting another Membership Dinner Please try to identify someone who would like to participate and join our Club. The District Conference is scheduled for April 25-27 at Swansboro. Lastly, our Golf Tournament fundraiser is planned for May 18. You can find additional information on many of the events on DacDb. This coming Friday we are looking forward to having Meg share with us about this year's upcoming STARS project.

Let's turn out this Friday and support our community programs.

All the best in Rotary!

Randy

Baseball for Polio - Let's Join in the Fun!

By Lin Kelly on Tuesday, April 2, 2019

Fun at the ballpark to build better friendships and to support Rotary's promise to the children of the world! It's never been easier to share the Rotary experience as it will be this summer, with two minor league baseball games spotlighting Rotary. Use the websites below to secure your tickets - bring friends, potential members, Interactors, Scouts, Students of the Month, or anyone else in your Rotary world. Contact District PolioPlus Chair Jeff Mount at jeffmount77@gmail.com if you have any questions. The clubs have reserved a section just for us, so let's have fun and support a great cause. (Working on a Kinston game next, so check this space for more news.)
