A Message from President Randy

By Randell W. Thompson on Wednesday, April 17, 2019

Dear South Brunswick Island Rotarians!

Another great meeting this past week! Attendance was great, everyone enjoyed our STARS Kick-Off Program for 2019. Happy Dollars didn't disappoint us either. Everyone had great thoughts to share, including great comments about the Club's distribution of Hurricane Relief Items for the kids. Nine families received addition support items purchased with our disaster relief funds and presented by many of our members. This was truly a community impacting event and all Rotarians who participated should be commended on a job well done. A real big shout-out goes to Papa-Johns Pizza in Sunset Beach for providing pizzas for the event at a very low cost. Again, we want to thank all those who donated and participated in the awarding process.

As many of you already know this year will be our last year doing Citizenship Medals at our area Elementary Schools. Toni shared with the members a card sent in by a teacher at Union Elementary mailed to her. In the letter the teacher expressed her thanks to our Club for the many years of our supporting the youth by providing the Citizenship Metals to the kids. WE well written and very well received by the membership present. Next up we gave special recognition to Ken Dresser for the donation of a PA System to the Club. It was immediately placed into use.

We then received a great a very informative presentation from Meg Good on the 2019 STARS Program. This is one of the programs that our Club financially supports. The program this year will start on June 24th and run through August 2nd. Some of the information included the fact that North Carolina has about 39% of the elementary 3rd grade students reading at that level when they complete 3rd grade. Huge factor when looking at assisting child development success. STARS will also assist in preventing summer learning loss, a huge problem with many of our school age kids. STARS is held during the week and is hosted at Seaside United Methodist Church. Volunteers for this year are encouraged to go ahead and complete an application found on-line and participate in one of the upcoming training sessions. Meg and our local community are looking forward to another (this being year 6) successful year.

Just a reminder of a few upcoming events, On May 9th we're looking at hosting another Membership Dinner, try to identify someone who would like to participate and join our Club. The District Conference is scheduled for April 25-27 at Swansboro, NC. Our Golf Tournament fundraiser is planned for May 18th. We are also planning for a Teachers Appreciation Luncheon in the very near future, keep a check for the date. You can find additional information on many of the events on DacDb. This coming Friday we are looking forward to having a Club Assembly Day where you'll be updated on committee happening.

Let's turn out this Friday and support our community programs.

All the best in Rotary!

Randy

Our second membership dinner for the year has been scheduled for Thursday, May 9, at 5:30 pm. It will be held above Dr. Greg Rupp's office at 4902 Main Street, Shallotte.

Rotarians are invited to come and bring a guest interested in learning more about Rotary. Adult beverages and a fantastic meal will be served. This is always a very popular night so reserve a place for you and your quest as soon as possible either by emailing bob@plangoals.com or on our DACdb Club website.

SBI - Baseball for Polio - Let's Join in the Fun!

By Lin Kelly on Tuesday, April 2, 2019

Fun at the ballpark to build better friendships and to support Rotary's promise to the children of the world! It's never been easier to share the Rotary experience as it will be this summer, with two minor league baseball games spotlighting Rotary. Use the websites below to secure your tickets - bring friends, potential members, Interactors, Scouts, Students of the Month, or anyone else in your Rotary world. Contact District PolioPlus Chair Jeff Mount at jeffmount77@gmail.com if you have any questions. The clubs have reserved a section just for us, so let's have fun and support a great cause. (Working on a Kinston game next, so check this space for more news.)
