A Message from President Randy

By Randell W. Thompson on Wednesday, April 3, 2019

Dear South Brunswick Island Rotarians!

Another great meeting this past week! Attendance was great, and our speakers did a great job sharing their experience at PETS. Happy Dollars didn't disappoint us either, everyone had great thoughts to share, including great comments on the Boys and Girls Home Rotary Day! Following the Happy Dollar's, we had John Yonkers share a Rotary moment with the members. He related his thoughts concerning college entry and how current news events don't measure up under the Four Way Test. It was good to have John back with us.

Next Bill Wylie and Carol Petrea with our Rotary Foundation presented two members with their next Paul Harris Follow Plus Pins. Both W.J. McLamb and myself were recognized with achieving an additional level of giving. It's always an honor to support our Foundation programs and the work that being done both at home and nationally. In the coming weeks, we'll give Bill another chance to share the Rotary goals we participate in and making them a reality.

Clint and David presented information about our steps forward in the coming year and their take away from attending PETS last week. PETS had World Class Presenters share during the two-day event. There were numerous take away from the event this year and David and Clint touched on just about all of them. Just to name a few: Rotarians have a duty to serve, Rotarians are community builders, one of the biggest challenges will be to grow Rotary with new membership last year at 142,000, we are still behind because we lost 150,000 members. The message for all this coming year, Rotary Connects the World. Looking forward to our business plan development as we move into the new Rotary year.

Just a reminder of a few upcoming events, Hurricane Florence Relief where we will be purchasing for about 19 students for needed clothing and personal items at Walmart in Shallotte on April 4 at 3:30. On May 9 we're looking at hosting another Membership Dinner, try to identify someone who would like to participate and join our Club. The District Conference is scheduled for April 25-27 at Swansboro, NC. Lastly, our Golf Tournament fundraiser is planned for May 18. You can find additional information on many of the events on DacDb. This coming Friday we are looking forward to seeing Amber again along with our CIS Student.

Let's turn out this Friday and support our community programs.

All the best in Rotary!

Randy

For the last 15 years we have celebrated Rotary Day at the Boys and Girls Home at Lake Waccamaw with District 7710. Excellent representation from District 7730. Combined donations from both districts are in excess of \$29K. Thank you to the clubs and individuals who stepped up to support this local initiative. Many of the kids come from homes in our towns.

Baseball for Polio - Let's Join in the Fun!

By Lin Kelly on Tuesday, April 2, 2019

Fun at the ballpark to build better friendships and to support Rotary's promise to the children of the world! It's never been easier to share the Rotary experience as it will be this summer, with two minor league baseball games spotlighting Rotary. Use the websites below to secure your tickets - bring friends, potential members, Interactors, Scouts, Students of the Month, or anyone else in your Rotary world. Contact District PolioPlus Chair Jeff Mount at jeffmount77@gmail.com if you have any questions. The clubs have reserved a section just for us, so let's have fun and support a great cause. (Working on a Kinston game next, so check this space for more news.)
