President's Weekly Post

By Clint Jaeger Berry on Thursday, April 29, 2021

Dear SBI Rotarians,

A couple of things I ask you to consider this week. I ask each and every member of our club to commit just \$100 this year to the annual fund of the Rotary Foundation and at least \$50 to Polio Plus. These are the core foundations for all that Rotary does for our world.

It's no secret, that this last year has been challenging for our membership. As we are emerging from our homes, please Invite one person to join you as a Rotarian in this next 30 days. There are so many people chomping at the bit to get out and get involved let's get them on board with SBI Rotary Club!

On that note, please remember that our strength is in the quantity AND quality of our members. Our club is, in part, so successful because of our many and varied skills and knowledge. That breadth and depth comes from our diverse backgrounds and experiences. To that, as we meet, fellowship, and work together, be mindful of your words and actions. There is no place in our club for words and actions that offend members of our Rotary family. We are all proven professionals let's demonstrate that same wisdom with our fellow Rotarians. If it is off-color, insensitive, or inflammatory; leave it at the door.

Thank you for all your generosity and your service.

Sincerely,

Clint

SBIR Board DEI Position

By Kathleen MacDonald on Wednesday, April 28, 2021

As many of you know, Rotary International and District 7730 has taken Diversity, Equity, and Inclusion (DEI) as an initiative. Since the start of the initiative, the South Brunswick Islands Rotary Board has been seriously considering and discussing the topic. The SBIR Board's position is to affirm DEI with the signed statement submitted on March 10, 2021 to District 7730 and that DEI has always been fundamental to Rotary and our Club.

District 7730 has asked that the clubs assign DEI as an area of responsibility under existing committees or as formalized DEI board positions/committees. Since Diversity, Equity, and Inclusion is a fundamental Rotary value, it is not a responsibility of any one committee such as Membership Committee since we strive to have our membership reflect where we live, work, and thrive or the Service Committee since all of our charity projects are aimed to support under-served people and communities in Brunswick County as well as around the world. The SBIR Board has decided that the Immediate-Past President will provide DEI guidance for the entire club.

SBI Rotary Club Diversity, Equity, and Inclusion Statement

March 10, 2021

As an independent club within the global network of Rotary International that strives to build a community where people unite and take action to create lasting change, South Brunswick Islands Rotary Club (SBIRC) values diversity and celebrates the contributions of people of all backgrounds, regardless of their age, ethnicity, race, color, abilities, religion, socioeconomic status, culture, sex, sexual orientation, and gender identity.

SBIRC will cultivate a diverse, equitable, and inclusive culture in which people from underrepresented groups have greater opportunities to participate as members and leaders.
