### A Message from President Randy

By Randell W. Thompson on Wednesday, May 8, 2019

Dear South Brunswick Islands Rotarians!

Another great meeting this past week! Attendance was great, everyone had the opportunity to share super thoughts during the Happy Dollar Moment. We heard great things about the Rotary District Conference. Jennifer said it was one of the best events she had ever attended. They even had a couple of Peace Fellows attend the conference and interact with attendees. We also learned that the Literacy Council will hold their spelling bee very soon, Susan is still looking for a partner, we have a cheering squad and Gene will serve once again as time keeper. Real good stuff shared by all.

We wanted to focus on several upcoming events during announcements, our membership dinner is scheduled for May 9<sup>th</sup> at Dr. Rupp's Home. Marica Kelly,

with NC DOI will join us on May 10<sup>th</sup> for an update on the Department of Insurance programs. On May 17<sup>th</sup> we'll do prep work for our Golf Tournament, our tournament is planned for May 18<sup>th</sup> we are still in need of PAR Sponsorships. Let's make this fundraiser one to remember. On May 24<sup>th</sup> Dr. Gene Smith, President of Brunswick Community College will share his vision with us on the future of the college. We'll also hold a short Board meeting following the meeting on the 24<sup>th</sup> so that we don't interfere with activities planned for Memorial Day Monday.

We were honored to have Jon Mendenhall, Town Administrator of Carolina Shores share with us about all the great things happening for the residents of Carolina Shores. Carolina Shores is 20 years old and has 4500 residents. Jon covered three focus areas, the first was the drainage issue, which has an on-going study and partnerships engagement to continue to identify ways to address the concerns with storm water run-off. The next topic was Economic Development which has always been a challenge for our end of the county. Carolina Shores has a plan and is working with suitable businesses to ensure their success. Lastly, Jon addressed the need for Parks and Event Center activities which residents are looking to enjoy close to home. Jon did

a great job sharing with our members.

Remember this week we have Marica Kelly with the Department of Insurance. Let's turn out this Friday and support our community programs.

All the best in Rotary!

Randy

Fun at the ballpark to build better friendships and to support Rotary's promise to the children of the world! It's never been easier to share the Rotary experience as it will be this summer, with two minor league baseball games spotlighting Rotary. Use the websites below to secure your tickets - bring friends, potential members, Interactors, Scouts, Students of the Month, or anyone else in your Rotary world. Contact District PolioPlus Chair Jeff Mount at [jeffmount77@gmail.com](mailto:jeffmount77@gmail.com) if you have any questions. The clubs have reserved a section just for us, so let's have fun and support a great cause. (Working on a Kinston game next, so check this space for more news.)
