A Message from President Randy

By Randell W. Thompson on Wednesday, May 15, 2019

Dear South Brunswick Islands Rotarians!

Another great meeting this past week! Attendance was great, we worked around a slight kitchen issue, but after a short delay we shared another great meal together. Everyone had the opportunity to share super thoughts during the Happy Dollar Moment. As always, Gene does an amazing job of keeping the Rotary experience going. He shares his energy with us each week. You never know what to expect sometimes, but we're never disappointed.

Just wanted to remind everyone that Toni sent out an email last week announcing the date of our Teacher Appreciation Day at Waccamaw Elementary will be May 24th. She and Carol Patrea are co-chairing the event and will need assistance. They are planning for about 70-75 participants sharing with us that day. Looking to ensure they receive something from Rotary, in addition to a couple of door prizes. This year is also our last year for Citizenship awards. Toni shared the locations and dates that she has scheduled. Sign-up will begin very soon so stay alert to her messages.

Friday, we also had a visit from Hayley Giordano, our 2018 scholarship recipient who is finishing up her first year at North Carolina State University. We awarded Hayley a 2019 second year scholarship for \$1,000.00, which Savannah presented to her at our meeting. Hayley shared her appreciation and is looking forward to another amazing year at NCSU. We also had the 2019 Fore! Kids Golf Tournament Volunteer list distributed. We are looking for another great tournament this year, but it's not without a lot of hard work by our golf committee members. A big thank you goes out to everyone who worked to make this event a success, as well as all of those who worked to bring in sponsorships and made donations.

Our presenter this past week was Marcia Kelly, Regional Director for the Coastal Southeast with the Department of Insurance. Marcia shared the many aspects of the department with our members. It was a very impressive presentation which surprised many of us as to the number of programs assigned to the Department of Insurance. It was great to learn about the programs designed for seniors and the fire department rating system, which saves on our insurance rates. This coming week we'll work together to prep for our Golf Tournament.

See you Friday morning!

All the Best!

Randy

SBI - Baseball for Polio - Let's Join in the Fun!

By Lin Kelly on Tuesday, April 2, 2019

Fun at the ballpark to build better friendships and to support Rotary's promise to the children of the world! It's never been easier to share the Rotary experience as it will be this summer, with two minor league baseball games spotlighting Rotary. Use the websites below to secure your tickets - bring friends, potential members, Interactors, Scouts, Students of the Month, or anyone else in your Rotary world. Contact District PolioPlus Chair Jeff Mount at jeffmount77@gmail.com if you have any questions. The clubs have reserved a section just for us, so let's have fun and support a great cause. (Working on a Kinston game next, so check this space for more news.)
