Fayetteville Rotary Club Meeting

Welcome: Club President Stephen McDavid opened this week's Fayetteville Rotary Club (FRC) meeting via Zoom at 1:00 PM, welcoming all to the meeting.

Meeting Prayer and Meal: The meeting invocation was given by President Steve. There was no meal for the 12 members present, as we were on Zoom.

Rotary Song and Rotary Minute: The Secretary reminded members of the second Tuesday of the months District Governor's Zoom meeting and the prePETs Zoom meeting on January 23rd.

Attendance & Guests: There were 14 present via zoom, 14 members and no guests.

Health and Happiness: President Steve, after welcoming members and guests and giving the meeting invocation, gave the Secretary the floor for Health and Happiness. The Secretary reported there was one member birthday and no anniversaries, Drew Young with a birthday on 9 January.

Club Program: Steve McDavid hosted the Club Assembly. The Treasurer reported on the status of the Club's accounts and the status of membership dues payments. The Treasurer asked all members who have not yet paid their dues do so as soon as possible. The Treasurer also notified the club that until we meet again quarterly dues will be \$100.00, instead of the regular \$225.00. President Steve reminded members that a slate of officers for the next Rotary year needed to be determined. President Steve said that anyone who wished to attend Pre-PETs could do so by enrolling in the January 23rd session via zoom. The link can be found on the District Newsletter. The membership was reminded that the Club's primary fund raiser, the Rotary Golf Tournament, would be held at King's Grant Country Club on April 17, 2021. It was noted that we will soon need to begin soliciting sponsors. It was noted that the Club's 100th year anniversary plaque to be placed at the Rotary overlook on the river trail would need to be coordinated for when we felt we could gather for a ceremony. The virus has delayed the installation and dedication of the plaque, which was struck more than a year ago. It had been noted that the plaque needs to be securely fastened from vandals. The Club discussed holding membership socials.
