The Noon Rotary meeting took place at the Salvation Army at 12pm.

The meeting was opened by our fearless leader, President Tom Hussmann.

Pat Sorrell gave a member moment. Pat was born in Maryland. At the age of seven. Her family moved to a home in the county and Pat attended county schools.

Pat was a swimmer. She swam competitively through college. Eventually Pat ended up workin as a computer Analyst. She worked in that business for 40 years. After retiring she took a computer class and was hooked. Pat leads Yoga classes in the area including classes at the Peer Recovery Center.

We were lucky to have several guests. The Honorable Jane Capps, Rick and Anita Moreau, Hap Ambrose June McClendon and Connie Born.

The only birthday was Captain Jamie Goldfarb and we all agreed to celebrate her next meeting because she was out of town.

Pam Hilbert asked her committee to meet on February 6,2024.

Tim Necaise mentioned that his committee is reviewing around 8000.00 In grants.

Tom passed around a sign up sheet for the Oyster feed. The Oyster feed will be held at the second Camp Albemarle site on February 22, 2024

Dale Elks reported that the Zoom call with our counterpart in California went well. John Aldredge and Tim Necaise talked with Mark and they are ready for Mexico.

Tom introduced our speaker Gene McClendon. Gene gave a very interesting talk laced with humor. The first thing Gene talked about was Travis Brady from Budget Blinds putting blinds everywhere and they work with remote control. Gene said blinds going up and down everywhere. Gene then thanked the club for the people that serve at the kitchen and deliver meals on wheels. Gene mentioned that approximately 54 people at any given time are served by the Recovery Homes. Next he explained how he came to take over the counties Peer Recovery. In the end Gene got the building free and

the county gives him money for utilities and repairs. I bet they did not see that coming. About 200 people walk through the doors of the Peer Recovery center everyday. Then Gene made us all laugh as he compared his thrift store to Aarons store. Then Gene talked about his time with John Capps. He told us about John

Telling him to just do it. John told Gene to hire good people and then let them work We

Thank you Gene for a good talk.

President Tom presented Arron with a Happy Dollar match check to the Salvation Army.

The Meeting was closed by our President Tom Hussmann.
