President Tim asked Secretary Diane Warrender to give her report. She reported that our visitors for the day were Phyllis Pate, guest of Hap Ambrose, Lt. Susan Garland the new director of the Salvation Army, guest of Doug Wolfe, Dave Walczak, President of the Morehead City Rotary Club, and Joe & Holly Custodia guests of Jane & Bob McGlugan. Also our speaker Barbara Johnson 7730 Area Assistant Governor.

Lt. Susan Garland gave a little background information about herself. She is originally from Hendersonville, NC, and is a retired Social Worker. She decided to join the Salvation Army and spent over 2 years in Atlanta training. This is her first assignment and she looks forward to learning all about Morehead City and the area. Welcome to all! Additionally, Birthday celebrations were Pam Hilbert, July 01 and Mary Kurek June 26. They were serenaded by the members. Club Anniversaries were John Aldredge 6/30/2007, Glenda Nixon 6/30/2009, Chris Mashburn 6/29/2014, Will Rogers 6/29/2021, and John Scibal 7/01/1990. The attendance for the day was 27 Rotarians.

President Tim said he wanted to add a new item to the meetings, in order to pass on positive things about our members. Just a few short remarks that a member might want to highlight as "positive reminders". John Scibal got the chance to be the first one to speak! John said he had 3 grown sons and he always tried to pass onto his boys the advise he had received from his father. Always "Do the best you can do!" Wise advise to his sons and to all of us.

John also reported for the Membership Committee that his committee of himself, John Smith and Doug Wolfe felt the past year had been a good new membership year. They want to reinstate the "Discover Rotary" evening socials for prospective members.

Fundraiser Chair Gary Lazorick, will be reporting on the possible fundraisers he and his committee will decide on for this new year.

The new Foundation Chair will be Chris Mashburn. Past chairman, Dale Elks reported Dee Hellersperk has received her Paul Harris Fellowship pin and John Poag is a new member of the Paul Harris Fellowship Society.

Pam Hilbert, President Elect, said her committee will distribute money raised this past year to many organizations along with working on District Grants. She hopes to do some mini projects with the club, such as packing school supplies for kids at our Tuesday meetings, starting the next school year. She will report on these in the coming weeks.

The Public Image Committee will be led by Jill Droze again this Rotary year.

President Tim reported on the District Conference meeting, where our Club was awarded the District Governor's Excellence Award. Also, Dale Elks was awarded the Meritorious Service Award for his dedication to the Rotary Paul Harris Foundation. Dale made some remarks about winning this very special award. Our club was also recognized for our per-capita giving of \$448. per member. Good work MHC Noon Rotarians!

Tim also said he wanted to give the awards for our past club year that Tom was not able to do at the Installation Banquet. Tom's choice of the Rotarian of the Year was actually for two people, Jane & Bob McClughan, for their dedication to various club activities. And, the John T. Capps Enthusiasm Award went to Randall Parker for his "always ready to help" attitude.

Tim introduced our speaker, Barbara Johnson, Area 1 Assistant Governor. Barbara has a varied background as she has 21 years as a Marine Corp officer, worked with the Boy Scout's Council program and has been a local Realtor for a number of years. She is heading up the 100 Years of Rotary in Carteret County celebration. "The Magic of Rotary" is the theme of this event. She gave many examples of the influence of Magic in many areas of life. For Rotary Clubs the magic is shown in this club's project to bring clean water, new school desks and buses to students in Mexico. The Beaufort Club is part of the vision of Magic by providing scholarships for 10 high school seniors and the Soundview Club is the rock solid reason we have one of the finest RYLA programs in the nation. And her MHC club is proud of bringing critical dental services to the community through Broad Street Clinic. She is challenging every club to be supportive of the Area 1 Clubs. Our first joint event will be Tuesday July 16 at Shortway Brewing in Newport at 5:30 pm. Bring your club banner, name tags and come meet fellow Rotarians from Carteret County. She gave some statistics about area clubs: 1) How many clubs in Area 1 " six; 2); Which is the oldest " Morehead City Club; 3) What year was it chartered " 1925; 4) What club had the first woman president " Newport, Dee Bryson 1994-1995; 5) What club has it's own building; Newport, and many other interesting facts about our local clubs. Our Century of Service Gala will be May 17, 2025 at the Carteret Community Theater's temporary location in Atlantic Beach. Great information about the Magic of Rotary all around us!

Randall Parker did a great job of collecting Happy Dollars from those in attendance, and the 50/50 funds are still growing for the next meeting Tuesday, July 9th.
