Noon Rotary meeting December 5, 2023

The December 2, 2023 Morehead City Noon Rotary meeting was held at the Sanitary Restaurant in Morehead City at 1200 pm.

Lee Dixon was asked to give us a membership moment.

Lee was born and raised in Selma, North Carolina. He claims to be a medical miracle because he was conceived and born 6 weeks after his parents were married. He loves baseball and was picked for a team in the 4th grade. When they realized that he couldn't make the ball and the bat connect his baseball career ended in baseball ended. Lee married his high school sweetheart. He and Glenda have been married for 47 years. They have 1 son and 2 grandsons and guess what, the grandson can really play baseball. Lee credits John T Capps for teaching him to live life with enthusiasm.

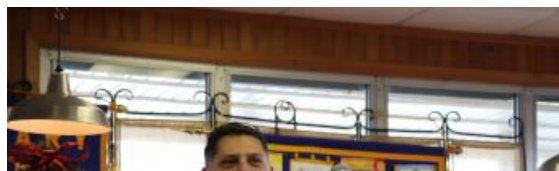

Pam Hilber mentioned that Steve Hellersperk has sold the most Golf cart tickets and John Aldredge is second. The Drawing for the Cart will be held during our December 12, 2023 meeting.

Diana Warrender mentioned that the Bill Condie award would be at the next meeting, December 12.

Tim Necaise gave a report on the Veterans Day parade. The parade was a great success and the largest in North Carolina.

Our guest speaker was John Sotirkys. John is a retired Marine who does a lot of good in the area. John talked about the Veterans Day parade and how the funding was used and needed. He's looking forward to next year and the help of Morehead City Noon Rotary. He thanked Dan McMahon for being the parade Marshall and said he was great. As a thank you, he presented a plaque to the Club which was accepted by Tom.

We will not have a meeting the Tuesday after Christmas, 12/26, and not on the Tuesday after New Years, 1/2/24. That is the 26th of December and the 2nd of January. When we meet after the New Year Holiday we will meet at The Salvation Army. That date is January 9,2024.

The meeting was closed by President Tom Hussman.

Prayer John Smith
Pledge Earl Droze
4 way Jill Droze
Happy \$ Bill Rogerson

Our guests were John Sotirkys
and Buck Suiter
