By Ellen Deaton

We are coming to the end of Rotary Year 2021-2022, please take a moment to review with your club's Foundation chair, where you and your club stand in giving this year. We've set some ambitious goals, and we must work hard to achieve them. **Our annual fund chair, John Mohr, reports that we have more matching points for those who want to become a Paul Harris Fellow this year.**

Clubs also need to be entering their activities in My Rotary to qualify for the Rotary Citation that is presented by the RIP Shekhar Mehta. And don't forget to enter your club's information to receive the District Governor's award.

We will be transitioning to a new District Leadership Team on June 25. This is my last Newsletter as your District Governor. I would like to say a special thank you to the Rotarian Family of District 7730 for this honor. As the 2021-2022 Rotary Year winds down, I want to thank each of you for allowing me to serve. You gave me the opportunity to visit and learn about our 50 amazing clubs. I was overwhelmed at the many service projects our clubs do for their local communities and the impact that Rotary has in the 15 eastern counties of

North Carolina. Without a doubt, the best part about this year has been the chance to meet each of you. Thank you for welcoming me into your clubs.

Our District is only as strong as its members, and we have an outstanding group of members in our clubs.

May we all continue to "Serve to Change Lives."  
Ellen
