## DISTRICT 7730 NEWSLETTER - NOVEMBER 2022 Foundation Month

### A Message from Governor Nancy Carr

By Nancy S. Carr

November is Rotary Foundation month and is also the time of year we start gearing up for our many district projects and activities. One of our district's favorite projects is RYLA. Applications are due December 31st. We also have two new initiatives this year. The first is the Essay Contest for 6th and 7th graders, chaired by Rhonda Williamson, which links our 4-Way Test to stopping and preventing bullying and cyberbullying. The second is our Day of Service project chaired by, Roxanne Garner, which takes place on Earth Day, April 22nd, and encourages clubs to organize a local community service project and involve others in the fun. Please remember that all District Grant projects must begin by December 1st to remain eligible.

This is the month we celebrate "doing good in the world." Our charitable organization, The Rotary Foundation, has again received the highest ranking from Charity Navigator, marking 14 consecutive years. It is through our generous participation in The Rotary Foundation that we are able to make a sustainable impact in our communities and across the globe.

### What is PETS? President Elect Training Seminar

Did you know that you picked a fantastic year to be president? With an updated curriculum, incredible speakers and an awesome District 7730 session, it will be your best PETS yet! And remember, all Presidents-elect are required to attend PETS each year, even if they served as president in the past...even multiple times.

If, for some reason, you can't attend Carolinas PETS, your DGE, Allen Quigley, will help you find another district to attend.

Note 1: For clubs without presidents-elect, it will be expected that the current president registers and attends.

Note 2: While you're registering for PETS, go ahead and register for one of the PrePETS Zoom sessions in February, as well as JumpStart 2023 on April 29<sup>th</sup>. For questions and more details, contact DGE Allen Quigley at 845/987-0074.
