This month is . . .

Peace and Conflict Prevention/Resolution

According to Rotary International, over 70 million people are displaced as a result of conflict, violence, persecution, and human rights violations. Half of them are children.

Rotary refuses to accept conflict as a way of life. Rotary projects provide training that fosters understanding and provides communities with the skills to resolve conflicts.

Rotary creates environments of peace

As a humanitarian organization, peace is a cornerstone of our mission. We believe when people work to create peace in their communities, that change can have a global effect.

By carrying out service projects and supporting peace fellowships and scholarships, our members take action to address the underlying causes of conflict, including poverty, discrimination, ethnic tension, lack of access to education, and unequal distribution of resources.

Our commitment to peace building today answers new challenges: how we can make the greatest possible impact and how we can achieve our [vision](#) of lasting change. We are approaching the concept of peace with greater cohesion and inclusivity, broadening the scope of what we mean by peace building, and finding more ways for people to get involved.

Rotary creates environments where peace can happen.

Rotary's Four Roles in Promoting Peace

- **Practitioners:** Our work fighting disease, providing clean water and sanitation, improving the health of mothers and children, supporting education, and growing local economies directly builds the optimal conditions for peaceful societies.
- **Educators:** Our Rotary Peace Centers have trained more than 1,800 peace fellows to become effective catalysts for peace through careers in government, education, and international organizations.
- **Mediators:** Our members have negotiated humanitarian ceasefires in areas of conflict to allow polio vaccinators to reach children who are at risk.
- **Advocates:** Our members have an integral role as respected, impartial participants during peace processes and in post-conflict reconstruction. We focus on creating communities and convening groups that are connected, inclusive, and resilient.

Shades to Celebrate Stomper's Birthday

Next Sunday, February 16, Shades will join our good friend, Stomper, at the Swamp Rabbits hockey game to celebrate Stomper's birthday. Please consider supporting the Swamp Rabbits and entertain yourself with a stellar Shades performance by our good friend and former Rotarian, Gary Farrar. Puck drops at 3:05pm

What do you do? You support a Duck Adoption Team and help answer questions about duck adoptions (experienced DATs need less support than newbie DATs), sell souvenirs, talk about the charities supported by the Reedy River Duck Derby (use this [document](#) to get a start on groups we supported from the 2023 Duck Derby), talk about Rotary and what our Club does, as well as Rotary in our area and around the globe.

Parking this year has gone up to \$10 per vehicle. Everyone will have to pay the cost of parking, but admission to the show will happen with an exhibitor badge you pick up at the entrance to the show. These badges need to be returned to the same location at the end of your shift. And please wear your Rotary name tag as well.

Every member is expected to support the Duck Derby with a shift at the Home & Garden Show. Meg is the contact person for all things Duck Adoption Teams (DATs) with regard to the Duck Derby, so feel free to reach out with any questions.

Next Moves: Sponsorships

Adoptions continue to trickle in and, at the time of printing this edition, we have 2,890 adopted ducks. We are making progress!

At this point, everyone in the Club should be handing out the QR code for duck adoptions. We'll have a nicer version of these business card-sized marketing tools at Tuesday's meeting so you can hand them out to all you know and come in contact with as you talk up the merits of the Reedy River Duck Derby.

Another way to make duck adoptions happen is through an "adoption paper." Those are currently being printed, and we hope to have them by the time the Home & Garden Show starts on February 21.

Sponsorships, including new and repeating sponsors, continue to come in, and you are encouraged to move any work you have started for potential cash sponsorships to completion. The other parts of sponsorship are the in-kind (such as The Frosting Fairy donating duck-shaped cookies for our VID party) and prizes. We're grateful to Publix for their donation of 52 \$100 gift cards! The prizes given in past years have been wonderful, and we are especially appreciative of the gift card type of prize sponsorships. What businesses do you have relationships with that might be willing to donate a gift card to their establishment?

Any questions about sponsorship should be directed to Ann Golden. For prizes, contact Laurie Rappl.

St. Patrick's Day Parade

The Greenville St. Patrick's Day Parade & Festival is back on March 15, 2025, and it's going to be bigger and better than ever! claims the group that organizes the annual event.

Missed being in the Christmas parade? Well, let's get our green on and make the Greenville St. Patrick's Day Parade an event for Shades, Quacky, and any members who would like to join. We're working on some green, plaid, and other St. Patrick's Day regalia. If you have some, throw it on and come join us. Parade starts at lining up at 9am and processes at 10am from Main Street and Augusta Street.

Additionally, we can have a booth at their festival at NOMA Square. We are currently negotiating space for some of our Duck Adoption Teams to punch up some adoptions.

Save the date, sign up on DACdb, and be part of the festivities on Saturday, March 15, 2025.
