**Today's Invocation:** Martha Chapman

**Health & Happiness:** Kit Jennings

**Today's Program:** The Carolina County Club - Tim Dunlap

## **Last Week's Program**

The program for our last meeting was on Spartanburg Sings, presented by Terry Pruitt. He reviewed the history of this special program, which was first suggested by Past President Liz Patterson in 2011. The event brings together all county honors chorus students, typically 180 –200 students, who not only put on a fantastic show, but also build friendships and learn to work as a team. All proceeds go to support our club's Youth Opportunity Grants. Dr. John Moody was able to put together a virtual program this year, which we all thoroughly enjoyed watching and listening to.
