Last Week's Program

We heard from Tyson Jeffers, General Manager for the Spartanburg Professional Baseball Club. Beginning April 2025, Fifth Third Park, the home of the Spartanburg Professional Baseball Club, an affiliate of the World Champion Texas Rangers, will open its gates to usher in the new era of professional baseball and entertainment in downtown Spartanburg. Not only will the community have access to some of the top baseball talent in the country, but they can also expect non-baseball entertainment like concerts, comedy shows, festivals and more.

Who Am I?

After graduating from college, I went to work for my fraternity as a field secretary/advisor for two years. I visited 88 colleges and universities, 36 states, and started 17 new fraternity chapters.

Here is a rendering of Fifth Third Park, home to the new Spartanburg Professional Baseball team. The stadium will seat 3500 people, and accommodate up to 5000 people for other events.
