He told the Club that Spartanburg ranks in the bottom 10% for economic mobility for our children and that there is a 17 year gap in life expectancy among our residents. Spartanburg is one of 12 communities chosen by Blue Meridian to receive pandemic recovery funds. In the first round Spartanburg received \$6.3M. Dr. Booker explained that in Phase II, Spartanburg received \$50M from Blue Meridian with a required match. The Duke Endowment provided \$25M of the match and they have raised all but \$2M needed
