This Land Is Your Land

Song by
Woody Guthrie

This land is your land, and this land is my land
From California to the New York island
From the Redwood Forest to the Gulf Stream waters
This land was made for you and me
As I went walking that ribbon of highway
And I saw above me that endless skyway
I saw below me that golden valley
This land was made for you and me
I roamed and rambled, and I've followed my footsteps
To the sparkling sands of her diamond deserts
All around me, a voice was sounding
This land was made for you and me
When the sun come shining, then I was strolling
And the wheat fields waving, and the dust clouds rolling
The voice was chanting as the fog was lifting
This land was made for you and me
