Last Week's Program

Coach Mark Hodge was our guest speaker last week. He is in his 2nd year at Spartanburg High, after winning many awards at Chapman High School during his 8 year tenure there, including an undefeated season. "Every accomplishment is filled with relationships," he told the Club. Coach Hodge laid out the 4 year plan that includes: freshman taking a psychology class, sophomores studying leadership, juniors focusing on college or a career, and seniors working on college credit or vocational training. "Who are you going to be when you are 45?" REFINED stands for Redeemed, Empowered, Finish, Integrity, uNflinchable, Embolden, Deliberate. "

Upcoming Programs

Aug. 30 Nuclear Deterrence - George Abuzeid

Coach Hodge told us about his off-field development program, known as the REFINED program. It's an approach that encompasses mental, physical, academic, professional, personal, and psychological components, among others.

President William Gray informs the Club that a case of polio was reported in NYC. Now more than ever is a great time to make a donation to the Rotary Foundation and become a Paul Harris Fellow. See Scott Girouard or William Gray for details.
