## Last Week's Program

Fellow Rotarian and owner of Authentic Leadership Coaching SC, Christi Brown, led our program last week. 3 things you need to build community: participation, relationships, and empathy. We worked on our relationships. We were feeling it as she guided us through our exercises. Why are we doing this? Because better relationships mean more fulfilling times at our job and in our community.

## Upcoming Programs

Sept. 3	Tourism Attractions in the Upstate	- Joe Mullinax
Sept. 10	Wofford Athletics	- Scott Kull
Sept. 17	The State of Journalism	- Leisa Richardson

Christi Brown led us in several exercises last week to help us get to know one another better last week and strengthen our relationships.

All members standing in the above photo have been members of Rotary for **over 40 years**. Congratulations!!!
