Last Week's Program

Our guest speaker last week was James Winfrey, Board Chairman of Angels Charge, a faith based ministry serving women coming out of incarceration. He told the Club their goal is to reduce the recidivism rate from the state wide average of 25%. Their services include transitional housing, clothing, medical care, counseling, employment assistance, transportation, among other things. Nannie Jeffries founded this organization in 2014. They currently have 2 houses for women and will add 2 more, to double their reach as women complete this 18-month program.

Upcoming Programs
