Last Week's Program

Dr. Rob McCormick told the Club about the uniqueness of the ACC and why it was formed from 7 schools in 1953. Scandal had rocked school sports in the late 1940's and '50's. He gave us just a sample of what is in his latest book, available on Amazon. He told us the ACC was "founded to not let athletics run the show. Academics were to be in charge. But they didn't anticipate television."
