Last Week's Program

District Governor Joyce Marin related the theme of "Imagine Rotary" along with lots of stories of Club's doing good work. She tells the Club about international projects from polio eradication to the "goat program" in Haiti. She tells us of District projects like little free libraries, after-school programs, and commends us on our own Storybook Live program. She challenged the membership to ask, "Why did you join Rotary? What keeps you here?" and to look for folks who have a heart for service and invite them to take action in the Club. Lastly, she invited everyone to the All Club Conference in Columbia the last weekend of April.
