Last Week's Program

Ted Creech with SCDOT updated the Club on the status of our roadways. He said that SC has the 4th longest highway system in the country with over 41,000 miles of road to maintain. SC did not raise the gas tax for 30 years. The increase in 2017 allowed the state to begin working on deferred maintenance, and our tax rate is well below our neighbors. The state has 1100 bridges (63%) that are approaching time for replacement.
