**Today's Program:** Spartanburg Sings - Terry Pruitt

## Last Week's Program

Dr. Diane Vecchio told us about the impact of Jewish business and manufacturing entrepreneurs in our area. She told the Club that Jews have been in SC since the 1600's and the first group were peddlers. The 2nd group were merchants focused on selling men's clothing and merchandise. Over 60 merchants were established along the Main Streets of Upcountry cities. The 3rd group were manufacturers of textile and clothing. Lastly, Max Heller and Bill Barnet led Greenville and Spartanburg in current times through their position as mayors.
