by the three C's; Rotarians are Curious, Committed and Connected!

Who Am I?

I was born in Wiesbaden, Germany.

I double majored in Humanities and History at California State University, Sacramento and earned a Master's in Divinity and Phd from Franciscan School of Theology, Berkeley.

I am the organist at St. Paul the Apostle Catholic Church and Liberty United Methodist Church and the pianist at Dray Bar and Grill every Friday and Sunday (Brunch).

Last week we were joined by very special musical guests, Lilian & Darkson Magrinelli as they shared their incredible operatic and clarinet talents. Lilian is the daughter of Rotarian Kim Keith.
