

# Welcome To Rotary

Tuesday  
July 25, 2023

## Today's Program

**Pledge of Allegiance**

**Today's Invocation:** Christi Brown

**Today's Music:** America the Beautiful - Angela Viney

**Health & Happiness:** Scott Girouard

**Today's Program:** Movement 2030 - Russell Booker

## Last Week's Program

Caroline Watson, a senior at Byrnes High School, was the Piedmont Interstate Science Fair winner and our Rotary Club sent her to the International Science Fair with her father. She provided the Club with an overview of her experience and her project, which focused on the question: Does music make a difference in a student's testing performance? (the answer is YES, and Rock music delivered the best results!) As a result of this experience, she is now considering the CIA as a career for their involvement in behavioral science.

## Upcoming Programs

August 1 Agape Care Group - Troy Yarborough

August 8 Service Dogs for Veterans - Rick Schwartz

# Who Am I?

#1. Grew up in the finger lakes region of New York spending most of my childhood on horseback.

#2 Holds 3 doctorates from 3 different countries.

#3 Played Division 1 baseball and is an avid Mets fan.

Arthur Yex receives his Paul Harris Fellow +2, Coby Hennecy receives her Paul Harris Fellow +1, presented by Scott Girouard.
