Last Week's Program

Pete Yanity regaled us with stories of his 34 years at Channel 7 and how he got into the business. He also touched on changes coming to college sports. He told us he loves play-by-play and has worked many Clemson and Panthers games. His goal is 1,000 live games and he is about 20 games away from this!

July 2 **NO MEETING**

July 9 Changing of the Guard

Who Am I?

1. I once played the part of an eyebrow in a college play.
2. I out ran security on the tarmac in Barbados.
3. While "working" in Washington for a senator, one of the interns talked the Soviet Embassy into allowing us to have a meeting at the Embassy. The Department of Agriculture and the State Department spent two days briefing us so that we could talk "intelligently" during our meeting. After the fact, we came to find out we had all been spy dusted.

We enjoyed hearing Pete Yanity tell us many stories last week.
