Last Week's Program

Rotarian Bob Justice, who joined Rotary on July 1, 1961, delivered the program last week, telling us about his experiences in World War II. He told us that 2.25 million Americans are honored on Memorial Day. 16 million served in WWII and only 240,000 are alive today. "It's up to us to tell the story and remember those that sacrificed for our freedom." President Cindy Kelly thanked him for his service to our country, our community, and our Club.
