## Last Week's Program

Mike Renner provided an overview of the BMW Performance Centers in Spartanburg and Palm Springs. There are a variety of schools offered. Mike's driving tips: 1. pay attention (put down the phone) and 2. look where you want to go. Over 16,000 people went through the schools last year in Greer. Mike set the instructor speed record on the Autobahn. The Spartanburg plant of BMW is the biggest in the world and specializes in just-in-time-delivery. They process 150 trucks an hour to produce 1500 cars a day.
